

Huntington Parish

Winter Edition 2011

Parish Assembly April 2011

Following the success of the new style Parish Assembly last April the Parish Council will be starting to plan the Assembly for 2011.

If you are a member of group or organization in Huntington and would like to be represented at this event contact the clerk.

Date to be confirmed.

NEW PARKING RESTRICTIONS ARE BEING ENFORCED IN HUNTINGTON

Father Christmas Visits Huntington

Christmas came to Huntington early on Friday the 3rd December—The Parish Council had the official turn on of the Christmas lights on the Green.

We were delighted that Father Christmas could come to the switch on. After giving out chocolates

to the children who had come to meet him - he collected their Christmas letters and lists in readiness for Xmas.

Over 100 residents came to see the switch-on and many joined us for a good old sing song where warming mulled wine was served afterwards.

The event, the first of its kind, was seen as a huge success - bringing the community together at this very special time of year.

The Parish Council now plans to hold a similar larger event next Christmas.

Tickets Issued on Chester Road

As you will be aware, the single yellow line has now been extended along part of Chester Road.

These parking restrictions are now beginning enforced by Cheshire West & Chester Parking Services who have reported that tickets have already been issued since the

instatement.

Tickets are also being issued to vehicles parked on grass verges where there are yellow lines.

Please try not to park on the grass verges as they are easily damaged and costs are rising to repair them.

Skip Day— 19th Feb

Following the success of the last 'Skip Day' in Huntington - a second day has now been organized for Saturday morning on the 19th February 2011 at Huntington Primary School on Butterbache Road.

JUBILEE FIELD PLAY AREA AT PRESENT

FUTURE MEETINGS

Huntington Parish Council meets on the third Monday of every month (except August & December) at 7.30pm at Huntington Village Hall. Agendas are displayed on the Notice Board at The Green, Chester Road and on the council's website, www.huntington-chester.co.uk.

Young people have their say!

Huntington Primary School pupils have completed questionnaires about whether or not they visit the Jubilee Field .

They were also asked what they would like to see on the "Best Ever" Playing Field, the most popular suggestion was a zip wire. Other ideas were equipment to swing on, tunnels, more landscaping, mounds, rocks and logs to climb over and under.

More sporting equipment was also suggested, including tennis courts and a basketball area.

Pupils also took part in a drawing and design competition to design their "Best Ever" playing field. The results of which were decided at the January meeting of the Parish Council.

A Focus group was held at Bishop's High School, where a number of pupils

took part in discussions about what they would like to see on the playing field. They also were keen to see more adventurous equipment on the Jubilee Field, as well as sports equipment including a multi-use games area, known as a MUGA.

The Parish Council would like to thank the staff at both schools for their help and support with this project.

Why not get involved?

Did you know all Parish Council meetings are open to the public? All you have to do is turn up.

Did you know that you can speak at the beginning of every

Meeting during the Public Participation agenda item?

Do you want to know more? For more information contact the clerk or visit our website.

You can also be added to our distribution list and receive agendas and information from the Council by post or e-mail. See below for contact details.
